Date: January 4, 1979

File Reference: D.I.B. "E"

File Duration: Permanent

TO: Gravely Dealers, Branches and Distributors

SUBJECT: **Service Kits for "U" Joints used on Gravely Products**

We are now using "U" Joints manufactured by three suppliers. The "U" Joints repair kits are not interchangeable.

The following will allow you to identify the "U" Joints and the correct service kit.

Identifying Marks	Service Kit Number
"R" Stamped on Joint	12134
"N" or Neapco on Joint	24560
None	24560

In the past the Neapco Joints were serviced by kit number 20573.

Kit 20573 is being cancelled and replaced by kit 24560.

Kit 20573 should be used until present inventory is exhausted.
