KENSICO

Tractor and Power Mower

ATTACHMENTS

Quality • Design • Versatility • and Better Performance!

Each Kensico accessory has been carefully designed and tested to fulfill its purpose. Rugged heavy gauge steel—electrically welded and stress relieved for longer and stronger work years. Heavy duty pneumatic tires and roller bearings for better maneuverability. Torque-free draw bars. Baked on finish for weather resistance.

ROLLER No. 524

24" wide x 18" diameter. Heavy gauge steel. Water ballast, scraper bar, roller bearings. Loaded weight 350 lbs.

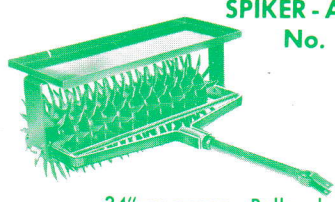

ROLLER No. 525

32" wide x 24" diameter. Heavy gauge steel. Water ballast, scraper bar, roller bearings. Loaded weight 550 lbs.

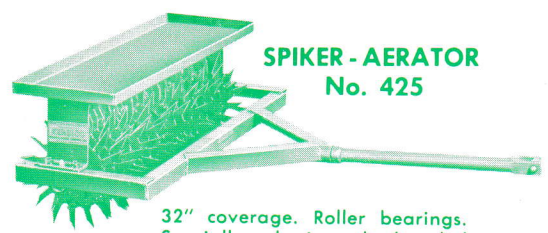

ROLLER No. 536

36" wide x 24" diameter. Heavy gauge steel. Water ballast, scraper bar, roller bearings. Loaded weight 650 lbs.

SPIKER - AERATOR No. 424

24" coverage. Roller bearings. Specially designed beveled teeth are reversible to permit smooth or rough spiking. Weight pan.

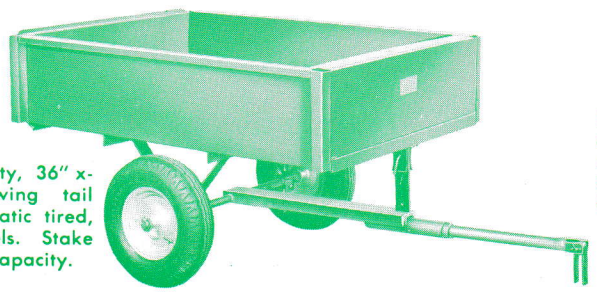

SPIKER - AERATOR No. 425

32" coverage. Roller bearings. Specially designed beveled teeth are reversible to permit smooth or rough spiking. Weight pan.

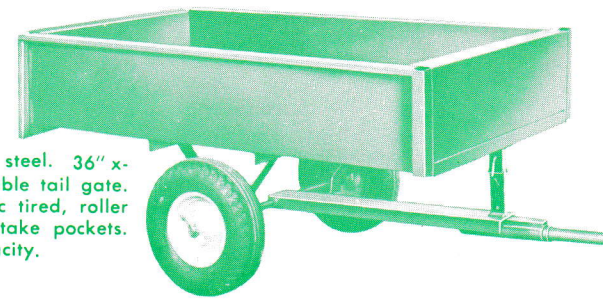

SPIKER - AERATOR No. 438

38" coverage. Roller bearings. Specially designed beveled teeth are reversible to permit smooth or rough spiking. Weight pan.

DUMP CART No. 210

All steel, medium duty, 36" x-48" x 12". Full upswing tail gate. 4:00 x 8 pneumatic tired, roller bearing wheels. Stake pockets. Over 1/2 ton capacity.

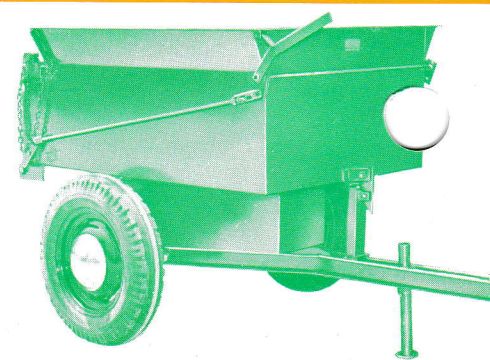

DUMP CART No. 235

Heavy duty, all steel. 36" x-60" x 12". Removable tail gate. 4:00 x 8 pneumatic tired, roller bearing wheels. Stake pockets. Over 1/2 yard capacity.

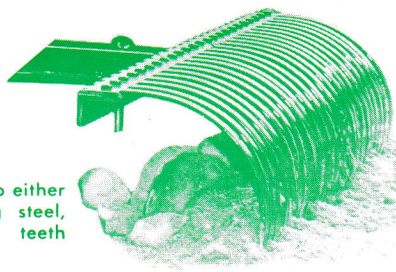

DUMP CART No. 225

Heavy duty, all steel. 48" x-72" x 12". 1 1/4 ton capacity. 6:00 x 16 ribbed implement tires, tapered roller bearings. Stake pockets. Removable tail gate.

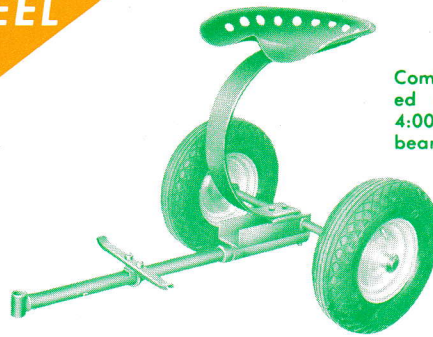

TONE RAKE No. 648

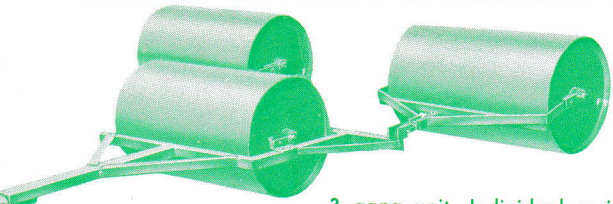

48" coverage — angles to either side or straight. Spring steel, heavy duty, replaceable teeth assure long service.

SULKY No. 100

Comfortable bucket seat mounted on resilient spring steel. 4:00 x 8 pneumatic tired, roller bearing wheels.

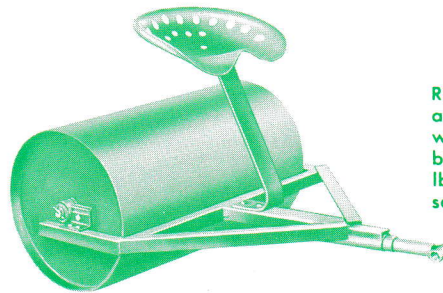

No. 575

3 gang unit. Individual spring loaded, torque free connections. 88" coverage. Each drum 32" x 24". Weight fully loaded 1700.

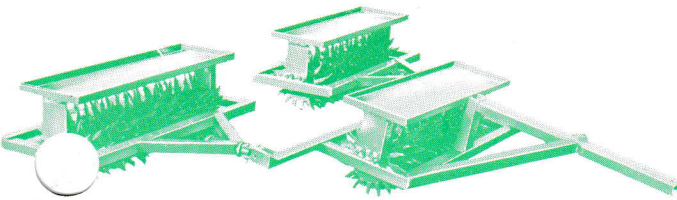

No. 550

2 gang unit has 64" coverage. 1125 loaded weight.
