

### TECHNICAL SERVICE BULLETIN "E" - 78 - 1533

Date: June 16, 1978

To: All Gravelly Dealers, Branches and Distributors

Subject: Hydraulic Adapter, Part No. 18818, Used on 800 Series Hydraulic Equipped Tractors and G.M.T.

We have received adapters from three manufacturers under part number 18818. One type has been found to be defective. The defective adapters can be identified by the nut section.

Please notice the difference in the nut style of the defective adapter and the good adapter. Destroy all defective adapters in inventory and submit a warranty request for compensation.
