

GRAVELY WORKS ALL WINTER!

BLOW SNOW!

A COMPLETE POWER SYSTEM

One Gravelly Tractor with its fall and winter tools will make your work easier, faster and much safer for you than old-fashioned hand methods.

But even more important, this ONE Gravelly Tractor handles every upkeep and gardening job, all year long!

The Gravelly powers 21 tools. You have your choice of jobs . . . mowing, cultivating, rolling, plowing, chain or circular sawing, leaf mulching, hauling, spraying. All attachments are quickly interchanged by simply removing and replacing four bolts.

Move Deep Snow FAST With the **Gravelly Snowblower!**

The rugged Gravelly Snowblower handles any snow—wet, dry, hard-packed or powdery.

You scatter the snow over a wide area . . . or throw it over obstacles . . . blow it just where you want it with the easily adjusted discharge spout.

Skim the snow from any surface, even bluestone

or gravel, by using runners. Remove the runners, and clear the snow away right down to macadam or concrete.

You clear a 28" path with the Gravelly Snowblower—through the deepest, heaviest snows, almost without effort. All you do is guide the Gravelly, the powerful 5 Horsepower Tractor does the work!
